Better Choices, Better Health®

Onoway

This six-series workshop will help you discover strategies and plan changes to help you feel better and enjoy life.

Topics include:

- Overcome the physical and emotional challenges of living with chronic conditions
- Manage pain, fatigue and stress
- Make positive nutrition and active living choices
- Set personal goals and acting on your plans.

For any adult wanting to live better with:

- Diabetes
- Chronic pain
- Heart disease
- Arthritis
- Breathing concerns
- Depression/anxiety

- Weight management
- Cancer
- HIV
- Fibromyalgia
- Caregiving
- Other health challenges
