

Boat Launch Repairs

Temporary Closure October 12th, 2020

Please be advised that the Nakamun Park boat launch will be closed for scheduled maintenance on Monday October 12th, 2020. Depending on weather conditions this temporary closure may be extended to the following day(s), but we will keep you posted as the project proceeds.

Please remain clear of the construction zone as workers complete the project and observe all construction barriers – for your safety and theirs.

If you have questions regarding the boat launch or this maintenance project, please contact the office at 780-967-0271 to discuss.
