All rules of Council in this Bylaw shall apply to each and every member of the delegation. Delegations shall have fifteen (15) minutes for presentation.

Provision for Attendance and Participation by Electronic Means

45. In accordance with the provisions of Section 199 of the Municipal Government Act, Council herein provides that meetings of council, including committee meetings and public hearings, may be conducted by Electronic Means, when deemed necessary to do so for the effective and expedient governance of the municipality and engagement with the public, at the discretion of Council.
- a) In exercising its discretion, Council may provide for the following meetings inclusive of Electronic Means:
 - i. A full virtual meeting, by which all parties that are, or may wish to be, participating in the meeting shall have a common point of access to the virtual meeting through approved electronic means; or,
 - ii. A hybrid virtual meeting, at which some of the participants may be authorized to participate through approved electronic means. The availability of a hybrid virtual meeting does not create an obligation, nor does it restrict the ability, to provide virtual access to the general public as in the hybrid model the council chamber remains an effective point of access for the general public.
 - iii. Notwithstanding the forgoing or any other part of this Bylaw, in accordance with section 199(2) of the Municipal Government Act, all Public Hearings held in accordance with Part 17 of the Act shall provide access and participation via Electronic Means.
 - b) In exercising its discretion, Council shall prioritize the use of hybrid, rather than full, virtual meetings such that where possible the use of electronic means is limited to use by those active parties in the meeting, including councillors, administration and formal delegations who cannot be in physical attendance.

- c) In all cases, Electronic Means shall be used only where the location of remote access is reasonably able to support its use. The ability to access remotely is not a guarantee that access will be assured or that business will be detained for input by those with an intermittent connection. Where fulfilling a statutory obligation under Part 17 of the Municipal Government Act, requiring access by Electronic Means, the municipality shall ensure the location of the meeting is reasonably able to facilitate a sustained Electronic Means access.
 - i. Failure to establish or maintain Electronic Means shall be deemed grounds for the meeting to be abandoned or a continuance sustained by adjournment to another date and time, subsequently approved by council and meeting the same requirements for public advertising as originally prescribed, a determined by a majority vote.
- d) In meeting the standards of 45(c), above, when Electronic Means are used in a meeting, should connection be interrupted, suspended, terminated, or any other mechanical or technological error or omission cause an interruption of access via Electronic Means originating from the host device (the municipality), the meeting shall be recessed to resolve the matter. The municipality shall have 15 minutes to establish connection, whereas if such time passes and connection is not established, the Chair shall invite a motion to either (a) consider the meeting abandoned for lack of Electronic Means, or (b) that the meeting proceed but not adjourn until after such time as council has established, advertised and facilitated a supplementary meeting so as not to disenfranchise affected parties.
 - i. If the meeting is declared abandoned, all material, presentations and testimony introduced shall be struck and when a new meeting is held all parties shall have the same rights, duties and obligations to participate in the meeting as if it was the originating meeting.
 - ii. If the meeting is recessed with a continuance, the municipality shall harbour and preserve the material, presentations, testimony and comments from the originating meeting and include same in the official record. Those parties that had participated in the original meeting shall be considered to have exercised their right, and those that did not will be allowed to participate in this new meeting.
- e) A Councillor shall be deemed present for the meeting for the duration of the meeting, in all or in portions, for which their connection is active.
- f) The Presiding Officer shall, on the Call to Order of the meeting, declare

to the meeting that there is, or may be, participation by Electronic Means, and shall ask the recording secretary to confirm any virtual attendees by seeking confirmation of:

- i. Those voting members or councillors present;
- ii. Those administration present;
- iii. Those delegations that may be present; and
- iv. The general count of those public present.

46. In providing for Electronic Means, the Council authorizes the following electronic means for virtual participation in meetings:

- a) Telephone participation, both traditional landline and cellular mobile participation;
- b) Personal or Work Computer or Tablet, via virtual participation applications or programs initiated by the municipality;
- c) Other means as may become commonly accepted and deemed safe by the municipality as technology advances.
- d) The access codes or numbers for participating electronically shall be distributed along with the agenda of the meeting in the same manner by which the agenda is circulated (email, website, and/or contained on the physical copy of the agenda).

47. If participating by Electronic Means, a Councillor shall be required to make their presence known in accordance with the following:

- a) On initially joining the meeting, shall declare their full name to the acknowledgement of the Chair of the meeting, and if possible confirm their participation by live video display.
- b) When participating making a motion, or participating in debate, the virtually attending member shall verbally request the floor from the Chair, and may be assisted in garnering the attention of the Chair by the moderator or recording secretary or other administrative officer present in the meeting.
- c) When speaking, and when voting on matters, the virtually attending member should, when feasible pending service connection, turn their live display video on.
- d) In voting on a matter, the virtually attending party, or parties, shall be called on by the Chair to give their vote verbally, one at a time, following the call of the question and voting by those parties that may be attending the meeting physically.

- e) If the matter being voted on is a question requiring a secret ballot, the virtually attending party, or parties, shall be permitted to either email or text message their ballot to the Chief Administrative Officer, or Designated Officer or Clerk, and have it received and counted as in the normal fashion. In exercising this option, virtually attending members shall be permitted not more than 5 minutes from the time voting is declared "open" by the Chair to submit their vote; late receipts will not be accepted and shall be deemed an absent vote.
- f) When a council member or other participant is included in a Closed Session meeting and participating by Electronic Means, the virtually attending member shall be asked to verbally confirm to the Chief Administrative Officer, or designate, that they are attending the Closed Session alone.

48. When making access by Electronic Means available to the general public:

- a) Notwithstanding the discretion given to Council in Section 45, above, and in accordance with Section 199 (2.1) of the Municipal Government Act, all Public Hearings held in accordance with a Part 17 provision of the Municipal Government Act (i.e. public hearings) shall include an option for Electronic Access and participation, and this option shall be regulated as any other meeting held inclusive of Electronic Means, as prescribed under this Bylaw.
- b) The access codes and numbers for the approved Electronic Means shall be contained within the meeting notice and agenda for the meeting and distributed by the same means used to circulate the notice of meeting and agenda, including on the website where applicable.
- c) Except where public participation is expressly allowed, such as a public hearing, public participants shall be muted and may be disconnected from the meeting by the moderator of the meeting for disruptions due to noise, unauthorized comment or any disruptions which hampers the effective conduct of the meeting, at the discretion of the Chair.
- d) Where public participation does involve receiving comment from the public, such as in a public hearing or open gallery provision, comments will be received verbally in a manner of order determined by the Chief Administrative Officer based first on requests to speak received before the meeting, concurrently during the meeting (for example in the "chat box" of the electronic means platform, and then finally any last comments arising from the floor. The conduct of these comments shall be respectful and follow the same decorum and process as if made in physical attendance.

49. The Chair, without a Motion, may Recess the meeting for a specific period of no more than ten (10) minutes.
50. Any Councillor may move that Council Recess for a specific period.
51. After the Recess, business will be resumed at the point where it was interrupted.
52. A Recess will follow a motion to go into closed session and a Recess will precede a motion to come out of closed session.

Rules of Order

Council may adopt a procedure for statutory public hearings.

Council shall abide by the underlying principles for statutory public hearings. The process will adhere as closely to the procedures outlined as possible although Council may adjust the process in order to accommodate a smooth flow of the proceedings provided that there is adherence to the underlying principles.
